

## PHARMACY SERVICES

In addition to our DME, Chesterfield Services offers a full service pharmacy. Whether you are looking for maintenance or specialty prescriptions, our pharmacists and certified technicians are here to answer your questions and meet your medication needs.

## PRESCRIPTIONS

Our pharmacy offers:

- Complete prescription services, including bubble packing, making it easier for you to follow your provider's medication plan.
- Our pharmacy also provides specialized services, including offsite dispensing for Rehabilitation Treatment Facilities.
- We offer Medication Therapy Management, where our pharmacist works directly with your provider to make sure that you are receiving the right medication at the right dosage.
- Fully licensed and certified pharmacy staff able to meet all of your prescription needs.
