PHARMACY

Whether you are looking for maintenance or specialty prescriptions, our pharmacists and certified technicians are here to answer your questions and meet your needs.

PRESCRIPTIONS

Our pharmacy offers:

- Complete prescription services, including bubble packing, making it easier for you to follow your provider's medication plan.
- Our pharmacy provides specialized services, including offsite dispensing for Rehabilitation Treatment Facilities.
- We offer Medication Therapy Management, where our pharmacist works directly with your provider to make sure that you are receiving the right medication at the right dose.
- Fully licensed and certified pharmacy staff able to meet all of your prescription needs.

BUBBLE PACKS

Bubble Packs make taking your medications so easy; by

- Allowing you to keep track of your Medications.
- Ensuring your correct medications are taken at the right time.
- Eliminating medication spills.

Your refills are automatically renewed monthly after contacting your physician.

We provide a Medication Administration Record (MAR) if needed.

One simple phone call and your "bubble packs" will be shipped to your home.

Let our pharmacy offer you Bubble Packs free of charge.
